### Public Notice of Petroleum Release

Local health departments are required by statute (IC 13-23-16) to inform the public of the discovery of released regulated substances at an underground storage tank site or in the surrounding area under 329 IAC 9-4-1(1) or a spill or overfill under 329 IAC 9-4-4(a). The Indiana Department of Environmental Management (IDEM) was notified on December 19, 2023, of such an incident from the owner or operator of N47177 located at 222 South Scott Street in South Bend. According to the release report, release-related chemicals (RRCs) were confirmed to have been released in the soil during a UST tank top upgrade but were transported off-site for disposal.

For further information on the Leaking Underground Storage Tank program, please go to [www.IN.gov/idem/4997.htm](http://www.IN.gov/idem/4997.htm).

Or contact the Indiana Department of Environmental Management at (317) 232-8900 or by email at [LeakingUST@idem.IN.gov](mailto:LeakingUST@idem.IN.gov).
